Week of October 12, 2019

Principal's Corner

Hello OGA Families,

It is hard to believe that we have just completed our second week in October. It is great to see our school atmosphere flourish and our theme for the year, 'Ignite the World,' start to permeate throughout our school. Our students are engaging in thought provoking lessons, projects and activities. I want to thank the PTA and the families who donated supplies and their time to our Family Math Game Night. It was a huge success. I also want to thank the teachers and the OGA National Honor Society students who helped create posters and monitor stations. We also had our students in grades 3-5 attend the Orlando Philharmonic Symphony on Thursday. We even had students who were able to go on stage and sing the National Anthem prior to the symphony concert. It was a great opportunity for our students to represent OGA! Remember, next Wednesday, October 16, is a full day and there is no school on Friday, October 18.

"Always remember, you have within you the strength, the patience, and the passion to reach for the start to change the world."

Book Series Review By: Mason B.

"Diary of a Wimpy Kid"

"This is a very funny series and has 14 books. It is about a kid in middle school named Greg who has to suffer through middle school and his family. Other characters in the series are Fregley (the weirdo), Rowley (Greg's BFF), Rodrick (Greg's older, mean brother) and Manny (Greg's younger brother). This is my favorite series because it is super-duper FUNNY and I really like comedies. My favorite book in the series is "Rodrick Rule's" because it has loads of funny moments.
