Ghost Bottle Rocket

Materials: ½ coke 2L bottle, Mentos and 3 rocket fins (can be made ahead of time), disposable face mask

1. Hot glue the 3 fins near the cap of the bottle. Wait.
2. Put 2 Mentos in the coke bottle and screw the cap back on.
3. Flip the bottle upside down and quickly unscrew the cap.
4. Lay the face mask on top of the bottle to act like a parachute.
5. Fun 5 feet away and watch!!
