## STEM at Home S'mores Solar Oven

Materials: small box, plastic wrap, aluminum foil, popsicle stick, marshmallows, chocolate, and graham crackers

*To make the oven first get a box and cut a square shaped flap at the top. This will be your lid. You may then decorate your box with markers. Then, glue black construction paper to the inside bottom of the box. Next, glue aluminum foil to the inside of the flap. Then tape plastic wrap over the opening of the flap. Add a graham cracker, marshmallow, and chocolate inside the oven. Then prop open the lid with a popsicle stick. Finally, place your oven outside in the sun and wait to enjoy your yummy snack!*

## MARK YOUR CALENDARS

11/08- STEM Day

11/11- Elementary  
Multicultural Night

11/17- Spelling Bee

11/22-11/26- Thanksgiving  
Break

## NOVEMBER CROSSWORD

### Across

- Scarf
- Cozy
- Pie

### Down

- Chilly
- Hibernate
- Leaves
- Turkey
