

It's time for the annual **PTSA Fundraiser!** Starting on Tuesday, October 17th, we're going to have so much fun learning and working as a team as we **Level Up** at OGA, with the help of Apex Leadership! Students will be able to send personal videos to family and friends, participate in fun activities during lunch, and learn qualities to better themselves and become the leaders we already know they are. Matt from Apex will be encouraging School Spirit and fostering qualities like Optimism

and skills like Conflict Resolution. At the same time, we'll be raising money for school improvements, teacher grants, family night activities and a host of other events and purchases that benefit OGA's students and staff. Look for info about prize levels for donations, how to donate, and available volunteer opportunities. It will all culminate in a day of Obstacle Course fun on Thursday, October 26th! We can't wait to **Level Up** with you! 🦉
